The aforementioned patents are listed on the accompanying Form PTO-1449 (submitted in duplicate). In accordance with 37 C.F.R. § 1.98(a)(2), no copies are enclosed.

* The Examiner will note that the first patent listed in the Search Report is identified as No. 5,961,669. However, the patentee on that patent does not match the name indicated on the Search Report, and moreover the subject matter relates to textile dyeing, which is completely unrelated to the present application.
